OUR GROUNDS & FACILITIES

For those times when being outside just isn't comfortable or possible, move your group into our new recreation center. It offers a warm, dry place for a variety of indoor activities including a full-sized basketball court (with competition glass backboards) and a recreation room with foosball, air hockey, ping-pong, & more!

Outdoor Recreation

Enjoy the wonder of God's creation as you stroll along scenic trails or the banks of beautiful Drift Creek. A sand volleyball court, softball field, and horseshoe pits are usable nearly all year. During the warmer months, when our lakes are open, we offer boating, swimming, a 60' waterslide, and catch & release fishing. For a nominal fee you can add our low ropes course and/or zip line to your program.

Currently, eight cabins are available for guest group rental. Depending on the cabin, they hold up to 10 or 12 people maximum. Drift Creek divides the cabins into two groups of four with a bath house for each group. If you need more space, there is room for tents and a limited number of RV's. Alder House offers up to three motel style rooms for group leaders or speakers.

Lodges

Located at the heart of the camp, Oak Lodge is the main meeting and dining hall. With a fireplace at one end and the camp kitchen at the other, Oak Lodge serves up to 175 people comfortably.

Nestled to the left of Oak Lodge, Fir Lodge is a cozy meeting place for up to 30 people. The nurse's station and guest group leader's office (for group leaders that need extra work space) are located in Fir Lodge.

A fire circle is located near the lodges where up to 120 can gather for an evening program.
